SUBJECT: Army's Polygraph Agreement Statement for CIA Nominees

Central Intelligence Agency
ATTN: Mr. Robert Gambino
Washington, D.C. 20505

1. Reference is made to the liaison visit conducted at your headquarters on 25 September 1975 by Mr. Merrill T. Kelly, Acting Director of Intelligence Operations, OACSI, DA; Colonel John L. Reiss, Chief, Security Division, OACSI, DA; Mr. Joe Vladich, Security Division, OACSI, DA, and [redacted] Counterintelligence, DIA.

2. The purpose of the visit was to discuss polygraph procedures pertaining to Army personnel nominated for employment with your agency.

3. During the course of the visit, it was determined that Army personnel would be required to sign a "Polygraph Agreement," would be read a list of questions to be asked during the conduct of the polygraph examination and would have certain amplifying questions explained to them. If at any time prior to the polygraph, the nominee reconsidered and voluntarily withdrew his intentions of employment, it would be done without prejudice. However, after advisement, if the nominee still elected to continue with the pre-acceptance and/or subsequent interviews, any information obtained or action taken would be handled in accordance with your agency policy.

4. We agreed that Army nominees would be required to sign an Army Polygraph Agreement statement prior to their being interviewed by your agency. A copy of this statement is attached for your information and retention.

5. Other matters discussed during the liaison visit, such as informing the nominee of your preacceptance policy, and the manner in which the nominee should cooperate, have been incorporated in Army's prenomination briefing.

FOR THE ASSISTANT CHIEF OF STAFF FOR INTELLIGENCE:
